

World Affairs Councils of America

Dear Applicant:

Thank you for your interest in teaching about Turkey and participating in the Turkey Study Tour for Teachers. The **15-day tour (July 13-27, 2013)** is sponsored by the Turkish Cultural Foundation, the World Affairs Council of America, and **The World Affairs Council, Seattle**. It is just one component of a multi-pronged effort to bring information about Turkey to students.

Turkey has played an important role throughout history and remains a pivotal country in shaping our world today. Turkish culture today reflects the richness and diversity shaped by the nation's deep historical roots in the region, as well as Anatolia's unique position as a cradle of civilizations for 12 millennia. Modern Turkey, with all its richness and complexities, as well as Turkey's centuries old cultural traditions, remains little known to Americans. To address this gap, the Turkish Cultural Foundation and the World Affairs Councils of America have developed a three-part program on Turkey, with a special emphasis on Turkish culture, for the American public and, particularly, for American students and teachers.

The first part of the program is a Workshop for Teachers, **February 27, 2013**. Teachers **must** attend the workshop in order to participate in the Study Tour, the second part of the program. There will be two Study Tours during the summer of 2013, each of approximately 28 teachers selected from participating World Affairs Councils around the United States. The third and final portion of the program consists of programs highlighting Turkish culture and history open to the communities of the participating councils during the fall of 2013. Teachers participating in the Study Tour are expected to take an active role in these programs.

The enclosed packet contains the application for the Study Tour. Please submit all materials by February 27. Finalists will be notified by mid-March. Four teachers will be selected. The Seattle group will travel from **July 13-27, 2013**.

Please note that in order to apply, you must meet these *Eligibility Criteria*:

- Must have sound physical health and is able to participate in a physically rigorous program that involves early morning departures, extended bus travel, multiple outdoor site visits and walking in hot weather during the tour.
- Has been for the past 3-4 years and is currently employed full-time as a classroom teacher, particularly in social sciences (excluding math, science and language) in a 6-12 school in **Washington State** and will be employed full-time as a classroom teacher in a 6-12 school next year;
- Possess a valid U.S. passport and/or ability to acquire a U.S. passport upon notification of acceptance for the trip;
- Willing and able to provide up to \$800 registration fee (for double occupancy rooms, single rooms are available for an additional fee) toward the cost of the trip and travel to Chicago (the Turkish Airlines departure city) on your own expense. In addition to these expenses, teachers are advised by the Turkish Cultural Foundation to budget approx. \$100 for tips to guides and drivers and approx. \$25 for visa fees;
- Has not lived in or traveled to Turkey during the past 10 years.

Complete and send application to: **World Affairs Council ATTN: Tese Neighbor, 2200 Alaskan Way, Suite 450, Seattle, WA 98121.** Please type or print clearly.
