Graphic Organizer: Future-Proofing Cities, Presenting Policy and Research

Instructions:

As your classmates present their strategies for “future-proofing” cities, use the chart below to record key points. Afterward, reflect on which strategies you think are most important, especially for cities like Seattle.

Presentation Notes

Group # / Presenter(s)	Future-Proofing Strategy	How the Strategy Works	How the Strategy Works	Why It Matters

Reflection & Discussion Prep

1. Which one or two strategies do you think are most important for a city like Seattle? Why?

2. Did you notice any strategies that would work especially well *together*? (For example: housing + transportation improvements?)

3. What is one idea you’d like to research or learn more about after hearing these presentations?
