3. Local to Global Thinking

What types of work would you consider,

- **Decent** in your community or in a country you know about?
- **Not Decent**?
  (Think about wages, working conditions, worker rights, etc.)

Decent Work Examples	Not Decent Work Examples

4. Personal Reflection

What kind of work do you dream of doing someday? How can that work support decent work and economic growth—for yourself and others?

Optional Discussion Prompt (if using class board):

"In your opinion, what makes a job *truly* decent? Share an example of decent or not-decent work you've heard about locally or globally."
