Identification Activity: What is a Slum? – Video Worksheet

Video Title: *What is a Slum?*

Part 1: While You Watch – Key Concepts

As you watch the video, jot down notes to answer the following questions:

1. How does the United Nations define a slum?

2. What are 3–5 common characteristics or conditions found in slums?

(Think about housing, access to water, sanitation, and safety.)

Characteristic	Description or Example
