Worksheet: Introduction to SDG #11 – Sustainable Cities and Communities

Instructions:

Read the *Goal-11_Fast-Facts.pdf* guide. As you read, complete the worksheet below. Focus on the major goals of SDG 11, especially housing, transportation, resilience, and future-proofing cities.

Part 1: Understanding the Goal

1. What is the overall aim of Sustainable Development Goal #11?

(Summarize in 1–2 sentences.)

Part 2: Key Focus Areas of SDG #11

2. Affordable Housing

What is one goal related to housing in SDG 11? Why is this important for sustainable cities?

3. Sustainable Transportation

How does SDG 11 address transportation? What kind of transport systems are being encouraged?

4. Urban Resilience & Disaster Preparedness

How should cities be prepared for natural disasters and climate change?

5. Green Spaces and Inclusive Design

Why is access to public green spaces and inclusive planning part of this goal?

6. "Future-Proofing" Cities

What does it mean to "future-proof" a city? List one example from the reading.

Part 3: Global to Local Connection

7. Think about your city or a nearby community. Choose one area (housing, transportation, safety, etc.).

What's one **challenge** that needs to be addressed to help it become more sustainable?

8. What's one action you would recommend to make your city more inclusive, safe, or future-ready?
